

LACDA worked with LA Homeless Services Authority (LAHSA) and the County Department of Health Services (DHS) to compile this list of ICMS providers that serve survivors of human trafficking, for proposers interested in dedicating units to that preference population. The list includes contact information, geography served, and population served. Note that this is not an exhaustive list of eligible agencies. In addition to consulting this list, proposers are encouraged to reach out to Sarah Whitman, Coordinator, Domestic Violence System, at LAHSA with any general questions: (213) 549-1771, [swhitman@lahsa.org](mailto:swhitman@lahsa.org). LAHSA cannot and will not consult on the design of specific projects.
