

Fifth Supervisorial District – Kathryn Barger

Health Services

Healthcare Access for the Low Income and Uninsured

Samuel Dixon Family Health Center, Inc.

(661) 468-7405

This program provides primary medical services, immunization, quality outpatient care, pediatrics, women's health, school physicals, family planning, laboratory services, and referral services to low- and moderate-income persons.

Housing

Handyworker Program

Santa Clarita Valley Committee on Aging Corp.

(661) 259-9444

This program provides grants up to \$5,000 to income-qualified homeowners for minor home repairs and rehabilitation services to upgrade the condition of their homes.

Handyworker Program

Antelope Valley Partners for Health

(661) 942-4719

This program provides funding for minor home repairs and addresses minor code deficiencies by offering income-qualified households a grant of approximately \$2,500.

Handyworker Program

Los Angeles County Development Authority

(626) 586-1828

This program provides up to \$9,000 grants for minor home repairs to eligible low- and moderate-income (80% AMI and below) households within the unincorporated areas of the Fifth Supervisorial District.

Altadena Vistas Apartments Rehabilitation Program

Altadena Vistas Apartments

(626) 265-4440

This program funds the rehabilitation of units, such as structural damage repair, fire alarm and sprinkler system replacement or repair, access system installation, common area and exterior upgrades, and remediation caused by the Eaton Canyon Fire.

Special Needs and Senior Services

Senior Grant Program

Los Angeles County Development Authority

(626) 586-1814

This program provides funding for rehabilitation assistance in the form of a grant of up to \$25,000 to low- and moderate-income senior homeowners (62 years or older) located in the unincorporated areas of the Fifth District.

Home Visitation Program

Antelope Valley Partners for Health

(661) 942-4719

This program provides preventative, routine, evidence-based home visitation support which emphasizes child and family health, safety, nutrition, and parenting education sessions to at-risk adults who are either pregnant or who recently delivered a child.
