Introduction

INTRODUCTION

Volume II of the 2024-2025 Action Plan comprises brief descriptions of all Fiscal Year 2024-2025 proposed activities, which will be implemented using Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), or Emergency Solutions Grant (ESG) funds. Volume II is organized by sections. Activities occurring primarily in the County's unincorporated areas are listed by District. Activities that provide services to all the unincorporated areas and are not district specific are identified in the Countywide section. All city projects are listed by the city in which they occur. The Administrative section lists the amount of administrative costs funded for the Los Angeles Urban County. The amounts listed in the Unprogrammed Funds section represent the total unallocated funds for each city and district. Each activity summary includes the proposed accomplishments, national objective, the Housing and Urban Development (HUD) eligibility citation, priority need, and funding. This standard information is grouped into specific categories. Below is an explanation of the various categories.

The **IDENTIFICATION** section provides basic information that classifies the activity for contact purposes.

- The **PROJECT NUMBER** is the administrative identification number assigned to the activity.
- The **PROJECT TITLE** identifies the activity's administrative title.
- The **OPERATING AGENCY** identifies the organization to receive federal funding.
- The **SUBRECIPIENT TYPE** identifies the type of organization receiving funding (e.g., a Community Based Organization (CBO), County Department, LACDA Division or other).

The **ELIGIBILITY** section contains information and codes that identify under which HUD regulation the activity is eligible for funding.

- The **ACTIVITY CODE** describes the nature of the activity according to HUD prescribed categories.
- The **ELIGIBILITY CITATION** references the HUD regulation found in Title 24 of the Code of Federal Regulations, Part 570, which is the regulatory citation that the activity is qualified.
- The **NATIONAL OBJECTIVE** identifies the HUD national objective that the activity qualifies.
- The **NATIONAL OBJECTIVE CITATION** references the HUD regulation found in Title 24 of the Code of Federal Regulations, Part 570, which is the national objective regulatory citation that the activity is qualified.

The **PERFORMANCE MEASUREMENT** section identifies an objective and outcome measure for each activity.

- The **Objective** identifies the purpose of the activity. Each activity is assigned one of the following three objectives: (1) Creating Suitable Living Environments, (2) Providing Decent Housing, and (3) Creating Economic Opportunities.
- The **Outcome** identifies the type of change or result expected from the activity. Each activity is assigned one of the following three outcomes: (1) Availability/Accessibility, (2) Affordability, and (3) Sustainability.

The **GOALS AND ACCOMPLISHMENTS** section lists the specific need category the activity addresses and the proposed quantity of service.

- **PRIORITY NEED** identifies the specific need being addressed by the activity within categories prescribed by HUD.

- **PROPOSED ACCOMPLISHMENTS** lists the performance quantity to be achieved during the fiscal year.
- **PERFORMANCE INDICATOR** identifies the unit of measurement of the proposed accomplishment.

FUNDING lists the federal funding source and amount allocated to the activity. It also identifies other sources of leveraged funding.

The **PROJECT SUMMARY** describes the specific actions that the operating agency will undertake with the identified funding.

The **LOCATION** identifies the specific site address where an activity is being conducted.

The **SERVICE AREA** identifies each activity's location. For programs such as public service, the service area is defined by census tract. For site specific activities, such as building construction or rehabilitation, a specific site address is identified (see Location above).

Project Summary

This program will provide funds for City staff to conduct six (6) neighborhood clean-up activities that will remove approximately 2,000 tons of trash. This program supports the City's Code Enforcement Program by providing residents with free use of trash bins to dispose of unwanted trash (exceeding regular trash service) such as furniture, appliances and general household debris that would otherwise end up in public right-of-way. In addition, bins for green waste are also provided allowing residents an opportunity to cut/trim their own overgrown plants and vegetation in public view and discard that waste. In the past, this activity was conducted as large single-day community clean-up events with many residents and a great deal of social interaction involved.

Project Summary

In a densely populated and pedestrian-oriented environment, sidewalks that are free of hazards are essential for safe pedestrian mobility. Sidewalks with gaps or root damage in the concrete represent a safety hazard and barriers to basic mobility for severely disabled adults and the elderly. Removal of physical barriers will prevent disabled persons from using unsafe alternatives such as driveway curb cuts designed specifically for vehicular access.
