

AGENDA

FOR THE REGULAR MEETING OF THE LOS ANGELES COUNTY HOUSING ADVISORY COMMITTEE WEDNESDAY, JULY 16, 2025, 12:00 PM

Primary location:

LACDA Headquarters
700 West Main Street
Alhambra, California 91801

Alternate location (teleconference only):

West Hollywood Library
Study Room C
652 N San Vicente Blvd
West Hollywood, California 90069

To join via phone, dial **(747) 200-6781**, then enter **525 710 562#** when prompted.

Administrative Office
700 West Main Street, Alhambra, CA 91801
Tel: (626) 262-4511 TDD: (626) 943-3898

Executive Director: Emilio Salas

Commissioners: Hilda L. Solis, Holly J. Mitchell, Lindsey P. Horvath, Janice Hahn, Kathryn Barger

3. **Reading and Approval of the Minutes of the Previous Meeting**

Regular Meeting of April 16, 2025

Regular Meeting of June 18, 2025

4. **Report of the Executive Director**

5. **Presentations**

6. **Public Comments** (3 minutes each speaker)

Regular Agenda

7. **Adopt a Unit Price Catalog and Specifications, Advertise and Award 18 Job Order Contracts for the Repair, Remodel, Refurbishment, and Maintenance of Various Properties (All Districts)**

Continued from the Housing Advisory Committee meeting of June 18, 2025, for concurrence with the Board of Commissioners item of July 15, 2025:

Find that the adoption of the Job Order Contract (JOC) unit price book from The Gordian Group, dated May 2025, approval for advertisement for bids, and the proposed award of JOCs and related actions are not a project under the California Environmental Quality Act for the reasons stated in this Board letter and in the records pertaining to the JOCs.

Adopt the JOC Construction Task Catalog and Technical Specifications prepared by The Gordian Group, Inc., dated May 2025.

Direct the Executive Officer of the Board to advertise for bids to be received and opened on August 13, 2025, using The Gordian Group, Inc.'s JOC System for 18 separate JOCs (126-143) in accordance with the Notice For Bids.

Delegate authority to the Executive Director or designee to make the determination that a bid is nonresponsive and to reject a bid on that basis; to award to the next lowest responsive and responsible bidder; to waive inconsequential and nonmaterial deficiencies in bids submitted; and to determine, in accordance with the applicable contract and bid documents, whether the apparent lowest responsive and responsible bidder has satisfied all conditions for contract award. Upon such determination, delegate authority to the Executive Director or designee to award and execute 18 JOCs, each not to exceed \$6,210,093.15, in the form previously approved by County Counsel; and to establish the effective date of the contracts upon receipt by the LACDA of acceptable performance and payment bonds and evidence of required contractor insurance.

With respect to JOCs 126 to 143, authorize the Executive Director or designee, subject to a finding of exemption under the California Environmental Quality Act (CEQA), to issue work orders for projects that are subject to and not subject to the State Public Contract Code including maintenance work, as applicable, not to exceed \$6,210,093.15 per work order; subject to the limitation that the aggregate amount of all work orders issued under a particular JOC does not exceed the \$6,210,093.15 maximum contract amount of the JOC.

Authorize the Executive Director, or designee, upon his determination and as necessary and appropriate under the terms of the JOCs, to amend the JOCs; to terminate any of the 18 JOCs for convenience; to terminate the contractor's right to proceed with the performance of the JOCs; to accept projects and file notices upon completion of the projects; to release retention money withheld pursuant to the applicable provisions of the Public Contract Code; to grant extensions of time on projects, as applicable, and assess and collect liquidated damages as authorized under Government Code Section 53069.85 and the contract specifications.

8. Commissioner Comments or Suggestions for Future Agenda Items

Access to the agenda and supporting documents are available on the LACDA website. Agendas in Braille are available upon request. American Sign Language (ASL) interpreters, or reasonable modifications to Housing Advisory Committee meeting policies and/or procedures, to assist members of the disabled community who would like to request a disability-related accommodation in addressing the Commission, are available if requested at least four business days prior to the meeting. Later requests will be accommodated to the extent possible. Please contact the Executive Office of the LACDA by phone at (626) 586-1855 from 8:00 a.m. to 6:00 p.m., Monday through Thursday, or by e-mail at nick.teske@lacda.org.

**MINUTES FOR THE REGULAR MEETING OF THE
LOS ANGELES COUNTY DEVELOPMENT AUTHORITY
HOUSING ADVISORY COMMITTEE**

Wednesday, April 16, 2025

The meeting was convened at LACDA headquarters, located at 700 West Main Street in Alhambra, California.

Digest of the meeting. The Minutes are being reported seriatim.

The meeting was called to order by Commissioner Williams at 12:09 p.m.

Agenda Item No. 3 – Reading and Approval of the Minutes of the Previous Meeting

On motion by Commissioner Brooks, seconded by Commissioner Canoy, with Commissioners Suzuki and Williams abstaining and Commissioner Myers not present, the minutes of the Regular Meeting of February 19, 2025, were approved as presented.

On motion by Commissioner Barauskas, seconded by Commissioner Canoy, with Commissioners Brooks and Suzuki abstaining and Commissioner Myers not present, the minutes of the Regular Meeting of March 19, 2025, were approved as presented.

Agenda Item No. 4 – Report of the Executive Director

Chief of Programs Tracie Mann announced that Tomasa Richmond was appointed as the new Director of the Housing Operations Division, effective Monday, April 7, 2025. Tomasa has over 26 years of housing experience and began her career with LACDA in 2010. She was the Acting Director since October 2024.

Tracie reported that she and Executive Director, Emilio Salas continue to participate in weekly meetings of the Joint County-State Housing Task Force to address both short-term and long-term housing needs in the aftermath of the fires. A subcommittee was

convened to focus on housing solutions specific to senior citizens, with reverse mortgages as the first area of focus. Another subcommittee will be launched to focus on developing multifamily affordable housing.

Tracie reported that the LACDA opened its waiting list on Friday, April 4, 2025, to begin accepting applications for the 50 Housing Choice Vouchers (HCVs) available to wildfire victims. Given the limited number of vouchers being offered compared to the overall need, registration was capped at 300 applicants. The waiting list closed on Friday, April 11, 2025. LACDA staff began the process of pulling registrants from the waiting list this week, sending applications to the first batch and awaiting the return of all documents needed to verify eligibility before scheduling voucher issuances that will allow families to search for a rental unit.

Trace reported that on April 1, 2025, the Board voted to withdraw nearly \$350 million in funding from the Los Angeles Homeless Services Authority (LAHSA) and create a new consolidated County department, as the Blue-Ribbon Commission on Homelessness recommended in 2022. The recommendations included establishing a County entity dedicated to homeless service delivery and streamlining LAHSA. The County Chief Executive Office (CEO) is charged with undertaking and completing the process by July 1, 2026. The new entity will be directly responsible to the Board of Supervisors and held accountable to clearly defined performance-based outcomes, will both empower the County to act and hold the County directly accountable for the voter-approved funding from Measure A and unspent LAHSA funds. Approximately half of LAHSA's staff will transition to the new department, incorporating staff from CEO-Homeless Initiative and the Department of Health Services – Housing for Health.

The Board established an aggressive implementation timeline. The Phase One integration is proposed between July 1, 2025, and January 1, 2026. Phase Two is the integration of programs funded by the County and currently administered by LAHSA into the new County department within the following six months to be completed by June 30, 2026. Phase Three integrates all programs and services administered by other County departments beyond the CEO and DHS into the new County department. The proposed new County department would start with approximately 705 staff and an over \$1 billion budget. The City of Los Angeles is also considering pulling its funding from LAHSA and will need to determine what homeless services look like in its jurisdiction.

The LACDA currently has contracts with LAHSA to administer Emergency Solutions Grant funds, which will likely be reprogrammed to another community-based organization. These opportunities are currently under discussion.

Tracie reported that the LACDA received notification from HUD Secretary Turner regarding actions in support of a recent executive order emphasizing that federal resources distributed by HUD shall primarily focus on benefiting American citizens and other qualified recipients, and no one undocumented. This order, based on an agreement between HUD and the Department of Homeland Security (DHS) to share HUD's housing database, aims to prevent undocumented individuals from receiving federally funded

public benefits like HCV and public housing. This means that future grant agreements will include language requiring compliance with the executive order to ensure that federal resources are not used to support sanctuary policies of state and local jurisdictions that actively prevent federal authorities from deporting undocumented residents.

Tracie reported that Department of Government Efficiency (DOGE) plans to collect HUD's data to remove immigrants from housing and jobs. To provide some context, for every household the LACDA assists through our housing programs, HUD requires that we report all household members and feed this information into their system. Personally identifiable information, such as name, date of birth, social security number, and citizenship status (U.S. citizen, eligible non-citizen, undocumented member), is recorded and reported to HUD. HUD is working on a rule that would ban mixed-status households from public housing, and DOGE is looking to kick out existing mixed-status households under the pretense that undocumented members are benefiting. The plan is first to target cities such as New York and Chicago. This move will impact 77 families residing in our public housing units.

Tracie reported that the LACDA received a notice from the US Attorney's Office regarding the formation of a Homelessness Fraud and Corruption Task Force, which will investigate fraud, waste, abuse, and corruption involving funds allocated toward the eradication of homelessness within the seven-county jurisdiction of the Central District of California. The Central District of California consists of approximately 20 million residents within the counties of Los Angeles, Orange, Riverside, San Bernardino, San Luis Obispo, Santa Barbara, and Ventura. This task force will comprise federal prosecutors from the Major Frauds Section, the Public Corruption and Civil Rights Section, and the Civil Division's Civil Fraud Section of the United States Attorney's Office for the Central District of California. Assisting the U.S. Attorney's Office will be the FBI, the United States Department of Housing and Urban Development Office of Inspector General (HUD-OIG), and the IRS Criminal Investigation.

Los Angeles County contains a homeless population of more than 75,000, of which more than 45,000 are within the city limits of Los Angeles. The total homeless population of the remaining six counties of the district exceeds 20,000. Despite voter-approved initiatives and billions of dollars spent on tackling this issue, homelessness remains a crisis, especially in Los Angeles County. Last month, a court-ordered audit found that homelessness services provided by the city and county of Los Angeles were "disjointed," contained "poor data quality and integration," and lacked financial controls to monitor contracts for compliance and performance.

Tracie reported on the proposed AB 282, which would amend SB 329, enacted in 2019. SB 329 was a significant step in combating housing discrimination by redefining "source of income" to include rental assistance payments. This change protected HCV participants from being denied housing solely because they utilized a voucher. However, the current language prohibits landlords from giving preference to voucher holders. The California Association of Housing Authorities (CAHA) believes this prohibition was unintentional and diluted the law's impact and its goal of eliminating barriers to housing

for voucher recipients. AB 282 was introduced to amend SB 329 to allow a preference for rental assistance recipients.

Tracie provided a correction to her statement at the March 2025 Housing Advisory Committee meeting regarding the projection for reaching the project-based voucher cap. The projection is for the LACDA to reach the cap in December 2026, not December 2025 as previously stated.

Tracie reported that the first round of National Standards for the Physical Inspection of Real Estate (NSPIRE) inspections took place at East County, West County II, Harbor Hills, North and South County, with inspections pending for Carmelitos, Nueva Maravilla, and West County I soon. Four of the five properties received scores over 90, and one received an 88. Tracie acknowledged the work the LACDA's maintenance teams have undertaken to ensure the properties are ready for the NSPIRE inspectors.

Tracie reported that the LACDA began issuing Notices to Pay Rent or Quit starting the week of April 14, 2025. All residents received a written notification in December 2024 about the LACDA's plan to resume late payment notices, including assessment of late fees for late payments.

Finally, Tracie reported that she and Emilio would be attending virtual DC advocacy meetings with the offices of Senators Padilla and Schiff, the House Financial Services Committee, and the Senate Banking Committee, and would share the outcome of these meetings at the next Housing Advisory Committee meeting.

Agenda Item No. 5 - Presentations

Fiscal Year 2025-2026 Action Plan

Fiscal Year 2025-2026 Budget

Agenda Item No. 6 – Public Comments

None

Agenda Item No. 7 – Fiscal Year 2025-2026 Budget

On motion by Commissioner Canoy, seconded by Commissioner Brooks, the following was approved:

Recommend that the Board of Commissioners:

Find that the approval of the LACDA's Fiscal Year (FY) 2025-26 Budget is not subject to the California Environmental Quality Act (CEQA) because the activities are not defined as a project under CEQA.

Adopt the Resolution approving the FY 2025-26 Budget totaling \$1,000,608,800.

Adopt the Public Housing Agency (PHA) Board Resolution approving the operating budget and certifying submission of the LACDA's FY 2025-26 Budget to the United States Department of Housing and Urban Development (HUD).

Instruct the Executive Director, or designee, to do the following:

- a. Implement the LACDA's FY 2025-26 Budget and take all related actions for this purpose, including execution of all required documents regarding the LACDA's FY 2025-26 Budget.
- b. Execute funding agreements with the County of Los Angeles (County) to accept funding for the following programs: \$475,000 for the Cooperative Extension Program, \$1,007,000 for the Community Policing Program (CPP), \$425,000 for South County Public Housing Scattered Sites, \$11,357,000 for Measure H (Homeless Prevention Initiative), and \$216,000 for the Homeless Coordinator and ancillary services, and execute, as necessary, all future amendments, modifications, extensions, and augmentations to such funding agreements.
- c. Execute a Memorandum of Understanding (MOU), and any necessary amendments to the MOU, with the County and all required documents necessary to accept \$668,947 for the Juvenile Justice Crime Prevention Act (JJCPA).
- d. Add positions during the fiscal year as needed to respond to unanticipated mid-year funding allocations or to expedite existing programs, subject to the availability of sufficient administrative funds to cover the associated expenses and alignment with program requirements.

Agenda Item No. 8 – Agency Plan

On motion by Commissioner Brooks, seconded by Commissioner Williams, the following was approved:

Recommend that the Board of Commissioners:

Find that approval of the Agency Plan is not subject to the provisions of the California Environmental Quality Act (CEQA), because it will not have the potential for causing a significant effect on the environment.

Approve the Agency Plan, as required by the U.S. Department of Housing and Urban Development (HUD), to update the Los Angeles County Development Authority's (LACDA) program goals, major policies, and financial resources, including the

Admissions and Continued Occupancy Policy for the Public Housing Program (ACOP), and the Housing Choice Voucher Program (HCV) Administrative Plan.

Adopt and instruct the Chair to sign a Resolution approving the Agency Plan for submission to HUD and authorize the Executive Director or designee to take all actions required for the implementation of the Agency Plan.

Authorize the Executive Director or designee to execute all documents required to receive HUD-allocated 2025 CFP grant funds.

Authorize the Executive Director or designee to incorporate into the Agency Plan all public comments received and approved for inclusion by the Board; and authorize the Executive Director or his designee to submit the Agency Plan to HUD by April 17, 2025.

Agenda Item No. 9 – Commissioner Comments or Suggestions for Future Agenda Items

Commissioner Barauskas requested ongoing updates on HUD's directive regarding undocumented residents and mixed status households. She also requested a future update on Measure A and landlord incentives.

Commissioner Swett also requested an update on implementation of Measure A funds.

Commissioner Brooks suggested a teambuilding retreat for Housing Advisory Committee members.

The meeting was adjourned at 1:43 p.m.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Emilio Salas", written over a horizontal line.

Due to lack of quorum at the primary meeting location, the meeting proceeded with informational presentations only, and no official business.

Agenda Item No. 3 – Reading and Approval of the Minutes of the Previous Meeting

No action taken

Agenda Item No. 4 – Report of the Executive Director

Executive Director Emilio Salas reported that the Trump Administration released a “skinny” budget request on May 2, 2025, indicating its intent to pursue cuts that would severely impact U.S. Department of Housing and Urban Development’s (HUD) vital affordable housing, homelessness, and community development funding in its full Federal Fiscal Year (FFY) 2026 spending request. In total, the “skinny” request foreshadows a complete request that will aim to slash HUD spending by 44% from FFY 2025, including a proposal that would result in an unprecedented 43% cut to HUD’s rental assistance programs.

Overall, the “skinny” request would not only slash funding to vital affordable housing and homelessness assistance programs, but it would also redesign some of these programs entirely, such as:

- Slashing \$26.72 billion (\$58.4 billion to \$31.7 billion) from HUD’s rental assistance programs – including Housing Choice Vouchers (HCVs), Public Housing, Project-Based Rental Assistance (PBRA), Section 202 Housing for the Elderly, and Section 811 Housing for Persons with Disabilities – and combining them into one program, a State Rental Assistance Block Grant. This will allow states to develop their rental assistance programs based on their jurisdictions’ specific needs, including the option to place a two-year cap on rental assistance and prioritize housing for low-income elderly adults and persons with disabilities for more long-term housing. It is estimated that converting these programs into a single block grant and slashing funding would reduce the number of households served to 2.4 million, thereby leaving 2.1 million families at risk of homelessness.
- Reducing an estimated and unprecedented 43% cut to HUD rental assistance and imposing a two-year time limit on receiving rental assistance for “able-bodied adults.”
- Cutting Homelessness Assistance Grants by \$532 million, and “consolidating” the Continuum of Care (CoC) Program and Housing Opportunities for Persons with AIDS (HOPWA) Program into a more targeted Emergency Solutions Grant (ESG) Program. Under the proposal, people experiencing or at-risk of homelessness would only be able to receive assistance for two years.
- Eliminating the Community Development Block Grant (CDBG) and HOME Investment Partnerships Program. It would also eliminate the Family Self-Sufficiency (FSS) Program, arguing “these programs are duplicative in purpose...such programs like these would be better left to State and local governments.”

During his first term, President Trump repeatedly called for massive spending cuts to HUD programs. The previous Trump Administration also pushed Congress to enact policies that would increase barriers to accessing housing assistance, including work requirements, time limits, and minimum rent increases on HUD-assisted households. Due to extensive advocacy and the efforts of congressional champions who worked tirelessly to protect vital HUD programs, these proposed cuts and policy changes were never enacted. The “skinny” budget request makes clear these threats will be raised again as FFY 2026 negotiations take shape.

Emilio reported that the Trump Administration is proposing to implement the combined block grant program in October 2025 (the beginning of FFY26), which is an impossible timeframe that could easily result in the dismantling of federal rental assistance and leave millions homeless.

Emilio then reported that the Trump Administration released of its full fiscal year FFY 2026 budget proposal, adding very little additional detail to the “skinny budget” released on May 2. Typically, the President’s proposed budget is a messaging document that is unlikely to

become law, and Congress retains the final authority in deciding the contours of the FFY 2026 budget.

The LACDA is working through several budget scenarios, specifically considering the possibility of funding cuts of up to 50%. This would have devastating impacts locally, given the focus on helping the unhoused population and other families in need, particularly in the challenging rental market of the LA region. The LACDA also plans to meet with the 18 other public housing agencies (PHAs) in the County to discuss how each agency is approaching and planning, as best they can, should this proposed budget pass.

Emilio reported that HUD Secretary Scott Turner appeared twice on Capitol Hill to defend and promote the Trump Administration's FFY 26 HUD budget request. On June 10, the House Committee on Appropriations Subcommittee on Transportation, Housing and Urban Development, and Related Agencies (THUD) convened their first hearing for the budget request. The Senate Committee on Appropriations THUD Subcommittee held its hearing the next day on June 11.

Secretary Turner was the only witness before both Subcommittees. In his testimony, Secretary Turner defended the proposed cuts, stating that it "represents the clear balance between funding mission-critical programs and much-needed fiscal restraint." The Secretary also touted the Administration's proposed State Rental Assistance Program (SRAP) that would replace housing vouchers and public housing to allow states to develop their rental assistance programs based on their jurisdiction's specific needs.

House Republicans in the Subcommittee acknowledged the administration's commitment to reforming HUD programs. However, some Republicans questioned the Secretary about how HUD plans to implement the proposed state block grant program to ensure adequate service levels for vulnerable residents. Secretary Turner did not provide specifics; however, Turner mentioned that the proposed budget includes funding for HUD to work directly with the states to execute strategies for SRAP. House Democrats raised concerns about the administration's proposed reorganization of HUD. Democrats argued that drastically slashing the HUD budget by over 50 percent would worsen the affordable housing crisis, resulting in mass evictions and increased homelessness.

During the Senate hearing, Senate Democrats and Republicans focused on ways the Committee can work with HUD to improve housing access and affordability through reducing regulatory barriers, working with faith-based organizations, and utilizing vacant federal lands and commercial buildings.

Emilio reported on bills in the California Legislature that the LACDA is tracking, including:

- AB 736, the Affordable Housing Bond Act of 2026, would authorize the issuance of bonds to finance affordable rental housing and homeownership programs, including, among others, the Multifamily Housing Program, the CalHome Program, and the Joe Serna, Jr. Farmworker Housing Grant Program.

- SB 658, which provides specified governmental or nonprofit organizations to notify the County of their interest in purchasing specified types of real property located within an area impacted by the Eaton or Palisades Fires.

Emilio reported that on June 9, 2025, the LACDA was contacted by the California Department of Housing and Community Development (HCD), stating that that HCD will be collecting select HUD-reported data from all public housing authorities in California as required under AB 653 starting in late 2025. To begin this process, HCD will engage with public housing authorities across the state to understand more about the available data and staff capacity for reporting on the statutorily required data. Formal guidance and information regarding the data collection process is forthcoming and will be made available on HCD's website. The initial reporting period will cover July 1, 2025, through September 30, 2025, with a submission deadline of November 1, 2025.

Emilio reported that the Department of Homeland Security (DHS) recently issued a list of sanctuary jurisdictions nationwide, and LA County is listed. According to the press release, each jurisdiction listed will receive formal notification of its non-compliance with federal statutes. DHS demands that these jurisdictions immediately review and revise their policies to align with federal immigration laws and renew their obligation to protect American citizens. Emilio reported that HUD and DHS agreed that future grant agreements will include language requiring compliance with the executive order to ensure that federal resources are not used to support sanctuary policies of state and local jurisdictions that actively prevent federal authorities from deporting undocumented residents.

Emilio also reported that the Department of Government Efficiency (DOGE) plans to collect HUD's data to remove immigrants from housing and jobs, per an agreement with IRS and DHS. To provide some context, for every household the LACDA assists through housing programs, HUD requires that all household members are reported into their system. Personally identifiable information, such as name, date of birth, SSN, and citizenship status (U.S. citizen, eligible non-citizen, undocumented member), is recorded and reported to HUD. HUD is working on a rule that would ban mixed-status households from public housing, and DOGE is looking to kick out existing mixed-status households under the pretense that undocumented members are benefiting. The plan is first to target cities such as New York and Chicago. This move will impact 77 families residing in our public housing units.

Emilio reported that the LACDA received a notice from the US Attorney's Office regarding the formation of a Homelessness Fraud and Corruption Task Force, which will investigate fraud, waste, abuse, and corruption involving funds allocated toward the eradication of homelessness within the seven-county jurisdiction of the Central District of California. The Central District of California consists of approximately 20 million residents within the counties of Los Angeles, Orange, Riverside, San Bernardino, San Luis Obispo, Santa Barbara, and Ventura.

This Task Force will comprise federal prosecutors from the Major Frauds Section, the Public Corruption and Civil Rights Section, and the Civil Division's Civil Fraud Section of the United States Attorney's Office for the Central District of California. Assisting the U.S. Attorney's Office will be the FBI, the United States Department of Housing and Urban Development Office of Inspector General (HUD-OIG), and the IRS Criminal Investigation. During the COVID-19 pandemic, the federal government sent \$100 million in emergency aid to Los Angeles County to address homelessness. Last month, HUD awarded more than \$200 million to address homelessness in Los Angeles. The LACDA received ESG and ESG-CV funds which were allocated to the Los Angeles Homeless Services Authority (LAHSA). The LACDA is preparing for the audit and gathering documents.

Emilio reported that the LACDA has issued Notices to Pay Rent or Quit for the over 600 households in public housing that had not paid rent. Fortunately, more than half of those who received Notices have repaid their arrearages or entered into repayment agreements. The LACDA will move forward with eviction proceedings for those who remain non-responsive.

Emilio provided an update on the 50 vouchers that the LACDA made available to wildfire survivors. The LACDA pulled 160 applicants from the waiting list, of which we received 89 applications back as of Monday, June 9, 2025. Approximately 25% of the applicants were canceled for not being legitimate wildfire survivors. A total of 3 vouchers had been issued as of this meeting, with the remaining 58 applicants going through the eligibility process (pending documents and eligibility determinations). LACDA staff are contacting these applicants to determine what, if anything, is causing a delay in their ability to provide their documents to us.

Emilio reported on his recent trip to Washington DC with Supervisor Barger and other officials to advocate for fire survivors and discuss proposed cuts to housing programs with the LA County delegation and other representatives. They met with members of the LA County delegation, including California Republicans, who were supportive of providing funding for fire survivors.

Emilio reported on efforts on a roundtable convened by Representative Chu, where the LACDA engaged with FEMA in the issue of potentially providing direct rental assistance for fire survivors due to the unique housing market conditions in LA County. Emilio also reported on a reverse mortgage workshop and a mortgage assistance program, aimed at helping fire survivors and other affected residents.

Finally, with respect to resident concerns about increased immigration enforcement activities, Emilio reported that the LACDA has provided information for residents about their rights and the LACDA's commitment to not sharing information with outside entities.

Housing Advisory Committee
Los Angeles County Development Authority
700 West Main Street
Alhambra, California 91801

Dear Commissioners:

**ADOPT A UNIT PRICE CATALOG AND SPECIFICATIONS, ADVERTISE AND
AWARD 18 JOB ORDER CONTRACTS FOR THE REPAIR, REMODEL,
REFURBISHMENT, AND MAINTENANCE OF VARIOUS PROPERTIES
(ALL DISTRICTS)**

SUBJECT

This letter recommends adoption of the Job Order Contract (JOC) Unit Price Book from the Los Angeles County Development Authority's (LACDA) current JOC Consultant. The Gordian Group, Inc., dated May 2025; authority to award to the lowest responsive and responsible bidders for 18 separate Job Order Contracts 126 to 143, and authority to issue JOC work orders for County facilities, public housing, commercial buildings, and private residences.

IT IS RECOMMENDED THAT THE COMMITTEE:

1. Recommend that the Board of Commissioners find that the adoption of the JOC unit price book from The Gordian Group, dated May 2025, approval for advertisement for bids, and the proposed award of JOCs and related actions are not a project under the California Environmental Quality Act for the reasons stated in this Board letter and in the records pertaining to the JOCs.
2. Recommend that the Board of Commissioners adopt the JOC Construction Task Catalog and Technical Specifications prepared by The Gordian Group, Inc., dated May 2025.
3. Recommend that the Board of Commissioners direct the Executive Officer of the Board to advertise for bids to be received and opened on August 13, 2025, using

Administrative Office
700 West Main Street, Alhambra, CA 91801
Tel: (626) 262-4511 TDD: (626) 943-3898

Executive Director: Emilio Salas
Commissioners: Hilda L. Solis, Holly J. Mitchell, Lindsey P. Horvath, Janice Hahn, Kathryn Barger

The Gordian Group, Inc.'s JOC System for 18 separate JOCs (126-143) in accordance with the Notice For Bids.

4. Recommend that the Board of Commissioners delegate authority to the Executive Director or designee to make the determination that a bid is nonresponsive and to reject a bid on that basis; to award to the next lowest responsive and responsible bidder; to waive inconsequential and nonmaterial deficiencies in bids submitted; and to determine, in accordance with the applicable contract and bid documents, whether the apparent lowest responsive and responsible bidder has satisfied all conditions for contract award. Upon such determination, delegate authority to the Executive Director or designee to award and execute 18 JOCs, each not to exceed \$6,210,093.15, in the form previously approved by County Counsel; and to establish the effective date of the contracts upon receipt by the LACDA of acceptable performance and payment bonds and evidence of required contractor insurance.
5. Recommend that the Board of Commissioners, with respect to JOCs 126 to 143, authorize the Executive Director or designee, subject to a finding of exemption under the California Environmental Quality Act (CEQA), to issue work orders for projects that are subject to and not subject to the State Public Contract Code including maintenance work, as applicable, not to exceed \$6,210,093.15 per work order; subject to the limitation that the aggregate amount of all work orders issued under a particular JOC does not exceed the \$6,210,093.15 maximum contract amount of the JOC.
6. Recommend that the Board of Commissioners authorize the Executive Director or designee, upon his determination and as necessary and appropriate under the terms of the JOCs, to amend the JOCs; to terminate any of the 18 JOCs for convenience; to terminate the contractor's right to proceed with the performance of the JOCs; to accept projects and file notices upon completion of the projects; to release retention money withheld pursuant to the applicable provisions of the Public Contract Code; to grant extensions of time on projects, as applicable, and assess and collect liquidated damages as authorized under Government Code Section 53069.85 and the contract specifications.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will make necessary findings under CEQA; adopt the JOC Construction Task Catalog Unit Price Book from The Gordian Group, Inc., dated May 2025; advertise for bids to be received and opened for 18 JOCs; and authorize the LACDA to determine that a bid is nonresponsive to the mandatory requirements of the bid solicitation and to reject a bid on that basis, including the authority to waive inconsequential and nonmaterial deficiencies, award and execute 18 JOC agreements, and issue JOC work orders for County facilities, public housing, commercial buildings,

and private residences subject to finding of exemption, if appropriate, findings for the work orders under CEQA at the time of issuance.

JOC is a competitively bid, flexible, and cost-effective unit price contracting method used by the LACDA to efficiently deliver a wide variety of projects, including repair, remodeling, refurbishment, alteration, and maintenance for public facilities, public housing, commercial buildings, and private residences participating in LACDA programs without extensive plans and specifications. The State Public Contract Code (PCC) provides that JOCs are contracts of a single- year duration and cannot be used for new construction.

Approval of the recommended actions will allow the LACDA to issue work orders for projects that are subject to and not subject to the PCC, including repair, remodeling, and refurbishment work, in an amount not to exceed the monetary limits set forth in PCC Section 20145, and authorized to the LACDA by ordinance in accordance with PCC Sections 20128.5 and 20145, subject to the limitation that the aggregate amount of all work orders issued under a particular JOC does not exceed the \$6,210,093.15 maximum contract amount of the JOC. For projects subject to PCC, the LACDA will seek Board approval prior to issuing JOC work orders for any project that exceeds the LACDA's delegated monetary limit authorized by ordinance.

Approval of the recommended actions will also delegate authority to the LACDA to issue work orders for projects that are not subject to PCC, including maintenance, demolition, or procurement and installation of equipment, as applicable, not to exceed \$6,210,093.15 per work order, subject to the limitation that the aggregate amount of all work orders issued under a particular JOC does not exceed \$6,210,093.15 maximum contract amount of the JOC. In accordance with the October 31, 2017, Board Motion, the LACDA will provide notification to the Board a week prior to issuance of work orders in excess of \$150,000 for projects not subject to PCC. In the case of emergency or critically needed deferred maintenance projects not subject to PCC, LACDA will provide notification to the Board no later than 24 hours after the issuance of such work orders.

In order to have adequate JOC capacity available on a continuous basis, the aggregate requested amount of JOC authority is \$111,781,677 (18 JOCs). Six (6) JOCs will be used for public housing refurbishment projects, six (6) will be used for the Community Care Expansion and Preservation Program, and six (6) will be used for County facilities, Lead Based Paint Hazard Mitigation, and the Renovate Commercial Façade Revitalization program.

This capacity is based on the anticipated need for various projects to be performed under JOC, including repair, remodeling, refurbishment, and maintenance work for LACDA projects. These proposed projects will primarily address sustainability, improve Americans with Disabilities Act accessibility, and provide upgrades that conform to current Building Code requirements. Therefore, the LACDA has made the determination that the use of a JOC is the most appropriate contracting method to deliver these projects.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The projects anticipated to be performed under the JOCs, including repair, remodeling, refurbishment, alteration, and maintenance work will be financed with approved budgets of programs for which these services will be provided and are included in the LACDA's approved Fiscal Year 2025-2026 budget. Funds for future years will be included in the LACDA's annual budget approval process. The total not-to-exceed program amount to be expended per Contract is \$6,210,093.15 per year. The potential aggregate, not-to-exceed amount across the 18 Contracts is \$111,781,677.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The JOCs will be in the form previously reviewed and approved by County Counsel.

Each JOC will contain terms and conditions in compliance with the Board's ordinances, policies, and programs.

Data regarding the bidders' minority participation will be on file with the LACDA. The contractors will be selected upon final analysis and consideration without regard to race, creed, color, or gender.

The JOCs are subject to the Board-adopted Countywide Local and Targeted Worker Hire Policy.

ENVIRONMENTAL DOCUMENTATION

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.34 (a)(3), these actions are exempt from the National Environmental Policy Act (NEPA) because they involve administrative actions of government. JOC construction activities are generally categorically excluded from NEPA pursuant to 24 CFR 58.35 (a)(3)(i), (ii) and (iii). NEPA review and clearance will be completed for each JOC project prior to approval of specific work orders.

Award of the JOCs, adoption of the JOC unit price and technical specifications books from The Gordian Group, Inc., each dated May 2025, delegation of authority to take actions related to award and execution of JOC agreements do not constitute a project under CEQA because the activity is excluded from the definition of a project under Section 21065 of the Public Resources Code and Section 15378(b)(4) and (5) of the State CEQA Guidelines. These activities are administrative actions of government and involve the creation of government funding mechanisms or other government fiscal activities that do not involve any commitment to any specific project that may result in a potentially significant environmental impact or direct or indirect changes to the environment. JOC projects for which work orders are issued under the recommended contracts include repair, remodeling, refurbishment, and maintenance of existing structures and facilities

as requested by the LACDA and are, therefore, likely categorically exempt from CEQA. The Board's award of the JOCs does not include approval of any work under the contracts. The future implementation of each work order proposed under the JOCs will be subject to prior determination and documentation by the Executive Director of the LACDA or his designee that the work is exempt from CEQA, if appropriate. In the event that the proposed work is not determined to be exempt, the LACDA will ensure that any necessary CEQA documentation is prepared and any necessary CEQA findings by the Board are recommended prior to issuance of the work orders.

CONTRACTING PROCESS

Advertising for bids for 18 separate JOCs 126 to 143 will be in accordance with the County's standard Instruction Sheet for Publishing Legal Advertisements (Enclosure A). As requested by the Board on February 3, 1998, the Invitation for Bids will be listed on the County's "Doing Business with the County" website, and the LACDA's website. The proposed JOCs will be solicited on an open-competitive basis and in accordance with applicable Federal, State, and County requirements.

Bidders will be required to submit a set of cost adjustment factors that would be applied to the unit prices for work using The Gordian Group, Inc.'s JOC System for the 18 separate JOCs 126 to 143 with the book dated May 2025. The unit price book from The Gordian Group, Inc. will be made available to bidders and be on file with the LACDA's Construction Management Unit.

Bids will be determined by calculating a composite factor using a predetermined advertised formula. The lowest responsive and responsible bidder for each JOC will be awarded that JOC. The JOC consultant and their corresponding unit price book dated May 2025 and each of the lowest responsive and responsible bidder's adjustment factors will be incorporated in the awarded JOCs. Contracts will be in the form previously reviewed and approved as to form by County Counsel and in compliance with the Board's requirements.

To ensure the JOCs are awarded to responsible contractors with a satisfactory performance history, bidders will be required to report violations of the False Claims Act, their civil litigation history, and information regarding prior criminal convictions. The information reported by the lowest responsive and responsible bidders will be considered before awarding the JOCs.

The LACDA has evaluated and determined that the Living Wage Program (County Code, Chapter 2.201) does not apply as these contracts are for non-Proposition A services.

Participation by Community Business Enterprises for these contracts will be encouraged through LACDA's Business Outreach Program and by reporting the good faith efforts of contractors to utilize Community Business Enterprises.

In addition, the contracts require contractors to report Small Business Enterprises/Local Small Business Enterprises and Community Business Enterprises utilization for all subcontractors used.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The use of these JOCs will expedite the completion of repair, remodeling, refurbishment, alteration, maintenance, and other repetitive-type work for various LACDA projects.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Emilio Salas". The signature is fluid and cursive, with the first name "Emilio" and last name "Salas" clearly distinguishable.

OFFICIAL NOTICE
INVITING BIDS

Notice is hereby given that the Executive Director of the Los Angeles County Development Authority will accept sealed bids for furnishing all materials, labor, and equipment required to complete construction for 18 separate Job Order Contracts (126 to 143).

A bid package containing all submission requirements may be downloaded from the LACDA website at www.lacda.org, scroll to and click on "Vendors," click on "View Open Solicitations," and under the "Title" column, select the solicitation of interest, then click on "Download Documents Below," and follow the instructions. For assistance with downloading bid documents, please contact Susana Oliveros at (626) 586-1782.

A Pre-Bid meeting for this project will be held at 2:00 p.m. on July 23, 2025, via an online meeting. Attendance at this meeting is mandatory for award of the Contract. Bidders who desire to attend the virtual meeting must RSVP by sending the name of their company, attendee names, and attendee email addresses to susana.oliveros@lacda.org by 5:00 p.m. on July 22, 2025. Bidders will receive an invitation to a Microsoft Teams meeting with link.

The prime contractor shall possess a valid California Class B contractor's license.

Bids must be submitted electronically on the LACDA's website. Bid submission instructions can be found in the bid package. Bids must be uploaded to the LACDA website before 2 p.m. on August 13, 2025, and no bids may be submitted after that date and time. Bids will be opened and publicly declared on August 13, 2025, at 3 p.m., via online meeting.
