Hi Brieana,

Can you confirm the city updates should precede the DCBA presentation? The last HTF I attended we had city updates at the end, just want to confirm the order was changed.

Thanks!

Emilie

Good afternoon Emilie, Emilio, Tracie, and Donna,

Please see below for the draft agenda for the Housing Task Force meeting on Wednesday, June 25, 2025.

- We were able to connect with Lynn after the Steering Committee meeting today and her team is prepared to provide an update on the Affordable Housing Work Group during the HTF meeting tomorrow afternoon.
- We left the "Outcomes of Federal Advocacy" on the agenda based on the Steering Committee Agenda, however, we can remove this if there is no new content from the report out of the DC trip from 06/11.

Please let us know if you have any revisions that you would like to see on the document. Thank you in advance for your time and support.

Warm regards,

Breiana Losinger
