

WHAT'S NEW?

SMALL AREA FAIR MARKET RENTS

The Los Angeles County Development Authority (LACDA) was designated by the U.S. Department of Housing and Urban Development (HUD) as a Small Area Fair Market Rent (SAFMR) Public Housing Agency (PHA) in October 2023, with a required implementation date of no later than January 1, 2025.

SAFMRs are payment standards calculated at the ZIP code level rather than for the entire metropolitan area. The payment standard is used to calculate the amount of housing assistance a family will receive. SAFMRs are intended to provide families with access to low-poverty, high-opportunity areas by providing rental assistance at a level that makes the higher rents in such areas affordable for those families.

As the effective date of January 1, 2025, approaches, the LACDA will make the payment standards publicly available on its website by posting a listing of each bedroom size in each ZIP code.

SMOKE DETECTOR GUIDELINES

The Public and Federally-Assisted Housing Fire Safety Act of 2022 (Act) requires all PHAs to enforce the installation of smoke alarms with 10-year non-replaceable batteries where hardwire alarms are not already installed.

The Act requires a qualifying smoke alarm installed in each level, and in, or near, each sleeping area in such dwelling unit, including in basements (except crawl spaces and unfinished attics), and in each common area in a project containing such a dwelling unit.

Smoke Alarm Guidelines

1. Smoke alarm is hardwired.
2. Smoke alarm uses 10-year non-replaceable primary batteries and:
 - is sealed;
 - is tamper resistant;
 - contains a silencing means; and
 - provides notification for persons with hearing loss.
3. In the case of a dwelling unit built or substantially rehabilitated after the date of enactment of this paragraph, smoke alarm is hardwired.

Rent Stabilization and Tenant Protection Ordinance (RSTPO)

The Los Angeles County RSTPO limits annual rent increases (for rent-stabilized units only) based on changes in the Consumer Price Index and provides tenants protections from evictions without just-cause for residential rental units in the unincorporated areas of Los Angeles County. On or before September 30th of each year, an owner must register each unit, unless fully exempt, that is rented or is available for rent in the County's Rent Registry system or on a form approved by the Los Angeles County Department of Business and Consumers Affairs.

The LACDA monitors the Los Angeles County RSTPO requirements that owners must adhere to when requesting a rent increase and/or terminating a tenancy.

Lunch and Learn Workshops provide participants an opportunity to learn about the LACDA's rental assistance programs offered. Join the LACDA to learn about the SAFMR payment standards going into effect in December.

QUESTIONS?

(626) 943-3841 • HCVWorkshops@lacda.org

The LACDA is recruiting volunteers for its Resident Advisory Board (RAB) Committee that will assist with the 2025 Five-Year Agency Plan process. The RAB provides an opportunity for program participants to provide input that affects them, like new policies and plans. As a RAB Committee member, all you have to do is attend a minimum of one meeting per year in mid-November.

If you wish to volunteer, e-mail HADCompliance@lacda.org, or call (626) 586-1991, to express interest. Be sure to include your name, a contact phone number, or e-mail address, and any questions you may have. An LACDA representative will contact you with more details.
